ACTION MEMORANDUM

TS # 188296
USIB-AM-63/19
10 April 1963

MEMORANDUM FOR : Lieutenant General Marshall S. Carter,
CIA Member, USIB
Lieutenant General Joseph F. Carroll,
DIA Member, USIB
Mr. Thomas L. Hughes, State Member, USIB

SUBJECT : NSAM No. 231

REFERENCE : Item 6.b., USIB-M-264, 3 April 1963

1. In Executive Session at the USIB Meeting on this date, the Chairman called attention to those portions of NSAM No. 231 which were of concern to the intelligence community. Specifically, he noted that the first paragraph of that NSAM related to intelligence matters falling under the responsibility of the United States Intelligence Board, while the second paragraph of that NSAM was a responsibility of the Department of State which had created a working group for this purpose.

2. General Carter earlier in the meeting referred to the discussion at the preceding USIB meeting, as reflected in the referenced minutes, which related an intelligence response to NSAM No. 231 to USIB action on USIB-D-41.14/24. General Carter noted that USIB had not yet determined upon an organization to respond to NSAM No. 231.

3. The Chairman requested General Carter to confer with General Carroll and Mr. Hughes to determine appropriate means by which the intelligence community, under USIB auspices, should respond to the first paragraph of NSAM No. 231. The Chairman also stated that action on USIB-D-41.14/24 should be related to such a response to that NSAM.
